HFWB-R Shown

Hot-N Crispy™ FRY WARMER

Model: HFWB

Innovative Fry Warmer extends hold life of fried food by combining convection and radiant heat technologies.

Keep fried foods hot, moist and delicious while maintaining a crispy exterior. Extend hold time without drying or creating a tough texture or a limp product.

Double or triple* hold times of:

- **Fries**
- **Chicken Tenders**
- **Nuggets**
- **Appetizers and more**

* Hold times vary by product and corporate specifications

Features & Benefits:

- Overheat safety system
- Reliable ceramic heating elements
- Countertop models available
- Pan Divider
- Safety Cut-Off
- Removable parts for easy cleaning
- Lighted canopy for merchandising
- Accessories available (see back page)
