

Landing Table with Dump Tray

Model: LTS

Efficient and ergonomically designed mobile work station, optimal receiving platform to compliment your fried food system

BKI's LTS shown above

Simplicity in design, quality that is affordable – BKI's Landing Table with Dump Tray performs a key role in your fried food process. Compact and portable, the Landing Table with Dump Tray makes easy work of the movement of product from the fryer to your holding and/or display center. Dump Tray and Tray Slides are easily removed for cleaning.

Standard Features:

- Large 21" wide, 27" length, & 3" depth Landing Platform Tray holds multiple product batches
- Six tray slides hold standard 18"x26" sheet pans for additional product holding.
- Detachable Landing Platform Tray and Tray Slides for easy cleaning
- 3" swivel casters, two locking, for high mobility in tight spaces
- Heavy duty, 304 stainless steel commercial construction
